Layer 8

Layer 9

The diagram illustrates the structure of Layer 9, which consists of two main groups of nodes. The left group features a central node labeled '1' and a node labeled '2', both surrounded by nodes containing downward-pointing triangles. The right group features a central node labeled 'DF 0' surrounded by nodes containing downward-pointing triangles. Below each group is a green circle labeled 'E1' and 'E2' respectively, with arrows pointing to it from the nodes above.
